What is being done for program sustainability

• Increase in staff numbers (MoH) trained and certified for VMMC delivery.

• Greater interaction and integration of VMMC activities at health unity context.

• Distribution of consumables through the MoH in two provinces.

• Indication of MoH professionals as heads of VMMC services.

• Coordination meetings of VMMC IPs with Health Offices in each province.
What will be done

• Continue previous activities.

• More integration of VMMC program into the HIV program context at central level in demand creation, HIV testing, service delivery, supply chain management

• Permanent monitoring of VMMC unities by province health offices using existing quality instruments (MoH).
What will be done

• Greater interaction with other programs (maternal and child health, school health, health education,…) at central and province level.

• Enhance interaction with other sectors (community based organizations, religious institutions, ministry of youth and sports).
POTENTIAL DEPARTMENTS TO ENGAGE, COORDINATE AND ALIGN ACTIVITIES

- Religious institutions
- Other Health Unity Services
- Ministry of Youth and Sports
- Community Based Organizations
- School Health Program
