

WHO "SAVE LIVES: Clean Your Hands" Campaign and WHO COVID-19 Response WHO webinar series

WHO will run a short **weekly webinar programme** to discuss infection prevention and control (IPC) and hand hygiene topics, in the context of the COVID-19 pandemic response and the WHO annual hand hygiene campaign. This is a **technical IPC series**, **targeted at relevant health professionals**, but it is also open to any interested party.

The provisional program agenda is as follows:

Webinar 1: 21st April A model hospital for IPC and management of COVID-19 patients

Didier Pittet, University of Geneva Hospitals, Geneva, Switzerland

Webinar 2: 28th April The SARS-CoV-2 virus modes of transmission and related IPC measures

John Conly, University of Calgary and Alberta Health Services, Calgary, Canada

Webinar 3: 5th May 2020: celebrating nurses and midwives for clean care at the age of

COVID-19

Benedetta Allegranzi, IPC Hub, WHO HQ

Didier Pittet, University of Geneva Hospitals, Geneva, Switzerland

Webinar 4: 12th May Coronavirus infections among health care workers: what we know about

COVID-19 and what we have learned from other outbreaks April Baller, WHO Health Emergencies, Geneva, Switzerland

Seto Wing Hong, University of Hong Kong Shenzhen Hospital, Hong Kong,

China

The webinar details are as follows:

Dates Every Tuesday from 21 April to 12th May

Time 2pm central European time (CET)

Duration 1 hour

Recordings

Format 30 minutes presentation and 30 minutes discussion

Meeting etiquette Participants will be encouraged to use the chat function for introducing

themselves (name, title and location) and asking questions.

We ask that all participants turn off their video and place themselves on mute. The moderator will call on participants during the discussion period, and for this

we ask that all participants use the 'raise hand' function.

When given the floor, please unmute, speak clearly, but slowly and be concise. Please use the chat function to raise questions, these will be moderated and answered in real-time by colleagues. If you do not receive an answer, these will

be added to a growing bank of frequently asked questions for follow up. Slides and audio recordings will be made available $\underline{\text{here}}$ after the webinar

Registration To register for each webinar please go to the campaign page at <u>SAVE LIVES</u>:

Clean Your Hands

Please promote this webinar series as widely as possible within your networks. Thank you
